2010-06 : Global Forum on Maintenance and Asset Management (GFMAM)

The inaugural meeting of the Global Forum on Maintenance and Asset Management (GFMAM) was held in Verona, Italy. The founding members brought the organization into existence at a formal signing ceremony.

GFMAM is now officially an organization incorporated under Swiss Law.

The vision of GFMAM is "To be a worldwide community of organizations providing leadership for asset management & maintenance communities."
